COMMITTEE FOR CO-ORDINATION OF SERVICE TO DISPLACED
PERSONS IN THAILAND

INTRODUCTION

The Committee for Coordination of Services to Displaced Persons in Thailand (CCSDPT) was formed in 1975 as a network for non-governmental organizations (NGOs) to meet on a regular basis to exchange information and to discuss their work. At its peak in 1981, CCSDPT membership included 52 agencies serving refugees from Laos, Vietnam and Cambodia, Currently membership is 13 and activities are currently focused on refugees from Burma. Every Member of CCSDPT nominates its representative to the Directors Forum. The Forum elects a Chairperson and a Vice-Chairperson for a year term. The CCSDPT Secretariat, the Executive Coordinator and the Administrative Officer, support the coordination of Member agencies efforts and assist in representing the membership's interests to the Royal Thai Government, international organizations and embassies.

CCSDPT Open meetings are held on twice a year and are attended by organisations involved or interested in the work of CCSDPT including Member and non-Member NGOs, International Organizations, Embassies etc. The CCSDPT Open Meeting serves as a forum to share information on the current refugee situation.

CCSDPT is funded by subscriptions from Members and contributions from international organizations.
